## **Spiritual Healer-Reader, Master Toner, and Author**

Offering Sound Answers to Life's Tough Questions

Keith has 37 years of professional experience in the field of complementary/alternative healing. He delivers Enlightened, Compassionate, Perceptive and Astute Gifts as a Spiritual Healer-Reader and Master Toner to help you get effective healing and more clarity in your life.

His distance work includes working with the following...

### **Health Concerns & Life Issues**

- **Aches and Pains**
- **Illness & Disease**
- **Strange Occurring Health Issues**
- **Sources of Confusion**
- **Relationship and Love issues: Family; Friends; Children; Deceased**
- **Career and Financial questions; Life-Purpose**
- **Stuck Issues this life and from Past Lives**

During each healing/reading Keith gives you clear and pertinent insights to your unique situations, mysteries and issues. Clients feel wonderfully uplifted with light and understanding as Keith gives clear, precise steps to move from problems into solutions and thorough well being.

As a Master Toner (sound healer), Keith has been using Toning in his healing practice for over 20 years. Toning is an ancient practice of using sound. It helps raise your vibration and energy and from that place healings, answers and solid directions through your current challenges become available that previously were blocked. **It also profoundly helps to heal your troubled areas, leaving you feeling peaceful and loved.**

**Fee: \$180.00 hr.**
